

Chiller

**/// BRAVILOR
BONAMAT**

Cold water

Delicious cold, pure and crystal clear water. At the office, in the store, waiting room or canteen... who doesn't crave that! Thanks to the Chiller this natural thirst-quencher is available whenever it is called for. The water cooler comes equipped with the unique Bravilor Bonamat membrane filter so any microorganisms do not stand a chance of getting through the filtration system. The benefit of direct connection to the main water supply eliminates the need for manoeuvring heavy water bottles!
